

## List of Cooperating Certification Bodies

### Choose a Certification Body and Sign a Contract

The following Certification Bodies (CBs) are cooperating with ISCC. They generally conduct audits on a global scale. To determine whether a specific CB is conducting audits in your country, please contact them directly.

\*Accreditation against ISO/IEC 17065 or ISO/IEC 17021 granted by a national accreditation body may not include ISCC certification scopes. Please review the accreditation scopes published on the respective national accreditation bodies' websites.

\*\*Certification body recognised by the Federal Office for Agriculture and Food (BLE) under the Biofuel Sustainability Ordinance (Biokraft-NachV) respectively the Biomass-Electricity-Sustainability Ordinance (BioSt-NachV).
